

HOLIDAY HOMEWORK

GRADE -3

**“Tell me and I forget, teach me and I may remember, involve me and I learn.”
-Benjamin Franklin**

Dear Children,

Vacation is the time to get creative and learn new skills. This year, your holiday homework is a fun mix of all aspects of learning. It has been designed to ensure that you enjoy, explore and experience at the same time. The theme of holiday homework is Sustainable Development Goal 15: Life on land.

Land and forests are the foundation of sustainable development. Forests cover 30% of the Earth's surface in which 80% are terrestrial species of animals, plants and insects. We all have a role to play and help the United Nations to restore and protect life on land by the year 2030. This is not an easy task and in order to achieve it, we need to start now. This holiday homework is a conscious step to understand our role and adopt practices to preserve our beautiful mother Earth. So let's begin!

Looking forward to an effective and efficient completion.

Keep in mind to-

- Pray to almighty daily.
- Interact more and more with your family members.
- Follow a schedule during holidays.
- Manage your time wisely.
- Appreciate nature, go for walks and plant trees.
- Do your homework independently, only ask for assistance from your parents or guardians.
- Prepare a file folder and arrange your homework in it.

Activity 1 – Reading Time

Reading is one of the most fundamental skill a child should acquire. Read the stories given below. Also write 10 difficult words from each story along with their meanings and build up your vocabulary. (Do this on ruled A4 size sheet)

- a. The Ugly Duckling <https://youtu.be/kPfoSZFHNS4>
- b. Goldilocks and the three bears <https://youtu.be/HHruVzAwGfk>

Activity 2– Poster Making

Posters allow you to spread your message to a wide audience in a simple and easy way. Every year 20th May is celebrated as National Endangered Species Day. Endangered Species- the animals and birds which are about to extinct from the land, if not preserve by us.

Make a colourful and eye- catching poster on how you can protect animals and birds living on this land. (Do this on white A4 size sheet)

Activity 3- Scavenger Hunt

Let's do a scavenger hunt in your nearby garden on the auspicious day of World Environment Day (5th June'22) to protect your mother Earth. Collect a list of items commonly seen in the garden and nature such as leaves, rocks, etc. and enjoy the nature walk.

Also make a collage using the collected leaves, stones, flowers etc.

And do not forget to send the clicked photograph of the collage on the same day to your class teacher.

Activity 4- Planting Time

Planting trees is to create a better environment to live in.

Let's plant a sapling with our fathers on this Father's Day (19th June 2022).

Also click the photograph of it and send on the same day i.e 19th June'22 to your class teacher.

Note down the observations by maintaining a record of the plant. (Do this on ruled A4 size sheet)

Week	Height of the plant
1	
2	
3	
4	

- Arrange the height in descending order.
- Calculate the total height of the plant.

5. वन्य जीव संरक्षण विश्व के लिए चुनौती बन गया है । राष्ट्रीय वन्य जीव उद्यान वन्य जीवों की सुरक्षा हेतु बनाये जाते हैं । इंटरनेट की सहायता से भारत के किसी वन्य जीव उद्यान की जानकारी जुटाइये और और चार्ट पेपर पर चित्रों के साथ इस जानकारी को लिखकर एक कोलाज बनाइये ।

6. प्रदुषण दिनोदिन एक विकराल समस्या बनता जा रहा है जिसके कारण लोग अनेक बिमारियों के शिकार हो रहे हैं । अपने घर से प्रतिदिन निकलने वाले अपशिष्ट पदार्थों की जानकारी जुटाइये । इसे कौन आपके घर से ले जाता है ? इसके बाद इसका क्या होता है ? तथा इन अपशिष्ट पदार्थों को नष्ट करने में क्या -क्या समस्याएं आती हैं ? आप इसे नष्ट करने के बेहतर सुझाव भी बता सकते हैं । इस प्रस्तुतीकरण को चित्रों के माध्यम से चार्ट पेपर पर दर्शाइए ।
