

SESSION 2019-2020 (HOLIDAY HOMEWORK)

Dear Parents,

Summer time is an excellent time to spend quality time with your children. A time to reconnect with our kids, friends and family so:

- Take your child for an outdoor visit.
- Have at least one meal together.
- Visit your relatives, elders; ensure they spend quality time with their grandparents.
- Read Newspaper with them and encourage them to find 5 new words and their meanings as well.
- Try to use these 5 words in your daily routine.
- Knowledge about plants and trees are an integral part of child's growth. Encourage your child to plant a sapling.
- Share stories about your childhood and your family history with your child.

Dear Students,

Summer vacation is the most cherished gift for you all. It is the time for you to enjoy and experience it with full vigor. During the long scorching summer spend your time in a meaningful and interesting way so that you will be in touch with the school work and at the same time have lots of fun and frolic.

We are sure this holiday homework will enhance your creativity & knowledge and you will enjoy while completing it. Be original, innovative & creative and start working from day 1. Do not leave your home work for last minute it may hamper your creativity.
