

ANNUAL REPORT 2020-21

Good morning to one and all present!

On behalf of whole fraternity of JKG, I welcome all the dignitaries and staff members.

First of all I would like to congratulate all the stakeholders as the school has been ranked **No.1** in the country for incorporating co-curricular activities in the school by Education Today.

With this award, we feel proud and privileged. Indeed, it's the outcome of collective efforts of all. Special thanks goes to team of Education3.0- as the children here take hands on experience, they learn the concept by doing and then particular topic is being introduced in their classrooms. In other words these co-curricular activities play a vital role in the overall development of the child and we have been doing more activities on regular basis through our various clubs and houses. The class presentation is a reflection of their learning.

Here is the annual report of session 2020-2021.

1. Achievements: Academics

- A proud moment for all of us as our students have come out with flying colours in **AISSCE 2020-21** amounting to pass percentage of **100**. **Pramiti Vashishth scored 97.6% (488 /500), Shivam Sharma scored 97 % (485/500), Shivam Yadav scored 96.6% (483/500)** became the toppers of the school respectively. Overall 17 students scored above **90%**.
- The result of class X in board examination 2020-21 is excellent amounting the pass percentage 100. Our 18 students have scored above 90%. In which 07 students **MAYANK KUMAR - 98.6%, RAJDEEP SINGH - 98%, VIKAS YADAV - 97.4%, CHETAN SHARMA - 96.4%, VAIBHAV SINGH - 96.2%, ADITYA UNIYAL - 96%, KESHAV KAUSHIK - 96%** have scored above 95%.

2. SCHOOL ACHIEVEMENTS:

We feel honored to share that **Education Today Magazine** has bestowed our school as India's No.1 school under the Top CBSE School Parameter wise for **"Co-Curricular Education"**

3. New INITIATIVES:

- Following the guidelines of CBSE the school has initiated new vocational courses in class XI from the academic session (2020-21). Courses offered are : - Fashion Studies (Code: 837), Artificial Intelligence (Code: 843), Information Technology (Code : 802) & Marketing (812).
- The school has incorporated Integrated Experiential Learning Program for learners, classes Nursery to IV. This program helps the learners learn and reflect practically. All their skills get enhanced besides academics.

4. Co-Curricular Activities:

Students have won various Awards and accolades in Inter School competitions held time to time at various schools online. However, the participants remained less in number due to lockdown.

5. Games and sports: challenges on the ground

Sports being the integral part of educational system provide opportunities to students to learn various skills in them. This school has a multipurpose playground and Special coaching is available for Skating, Boxing, Taekwando (mandatory for XI & XII), Archery, Kabadi, Table Tennis, Hockey. The sports instructors and coaches give regular coaching to the student.

6. Teachers Training:

During lockdown only medium of imparting lessons is online. It's a challenge for all. In order to equip the staff technically and enhance the proficiency of teachers for facilitating group and personalized support to the learners. The teachers attended online training provided by CBSE through Diksha App. All the teachers completed four modules for competency based training on Diksha App. This ensures digital proficiency that the teachers have acquired during this pandemic. Actually, the main aim of educators is to interact well with students and prepare interactive lesson plans and execute them in the class effectively.

7. International collaboration:

JKG Inter is linked with British council (U.K) aiming at developing leadership skills and international awareness among young leaders through different programmers. Working closely with schools in USA, Morroco, Pakistan, Srilanka , UK, Egypt and other countries around the world via various projects, Skype sessions, e-mail and other means of communication.

8. Honing the entrepreneurial skills of JKGians:

NEST has successfully entered into 5th year of its business and is expanding day by day. It has diversified the business and added new items to its existing business. Young Entrepreneurs of NEST: A HOME FOR PLANTS always showcase their potential and creativity. They place a stall in which handmade ornaments prepared by them and plants were kept for sale. The turnover was good which motivated our students to put up a even better show next time.

9. Parental Support:

School functions well with parents' support. Good communication and understanding between home and school is crucial for children's success for this regular parent teacher meeting are conducted to apprise the parents of the progress of their wards.

10. Career Counseling Session:-

- Admission in top domestic and overseas universities career session conducted by Mrs. Sunita Shukla & Ms. Neetu Naidu from Career Fair on 24th Aug 2020.
- Webinar on New Age Careers in IT organized by NPOCA on 14th June 2021.
- Webinar on Career in Hospitality Industry conducted by NPOCA on 17th June 2021.

11. Safety and Security:

- To enhance security of all the learners the school has installed CCTV cameras at every nook and corner in the school premises. There are 148 CCTV cameras in operation. Covering all the classrooms, corridors, playgrounds and auditorium.

Thank you
