PRINCIPAL'S MESSAGE

Dear Parents,

As we approached the end of yet another jubilant academic session, I take this opportunity to thank all the stakeholders and welcome you all to a new challenging academic session 2020-21, in view of Covid-19. Let us pave the way for the commencement of new session with great zeal to reach towering standards in the field of academics, innovation and creativity.

We are pleased to share that the Integrated Experiential Learning Program which we initiated in the session 2019-20 for learners (classes Nur. to II) has received positive responses from the parents and will now be continuing further till class III.

The new academic year started with one of the greatest threats in our lifetime to global education, a gigantic educational crisis where in majority of children and youth are out of school amid Covid - 19, starting the school late or interrupting it completely disrupts the life of all stakeholders , thanks to the dedicated educators and team of JKGISV, who in nick of time has initiated the online learning platform for our senior secondary learners in March '20 itself via zoom session and later shifting to Microsoft Team app due to safety and privacy concern raised in the recent times by many countries. We have started online learning classes for our secondary learners since the beginning of the April'20 and now on the verge of beginning the same for our learners till class 3.

In the wake of impending extension of lockdown period, management has decided to revise the fee structure for session 2020-21, which will be same as that of session 2019-20.

I appeal to all to stay at home, stay safe and follow all the guidelines provided by the Government of India.

Remain calm, healthy and positive!

With Best Regards
