Circular No. – Aug/2017-18/21

Date- 08-08 -2017

Dear Parents,

Child Sexual Abuse has become a burning issue of the present scenario. To curb this, CBSE with NCPCR (National Commission for Protection of Child Rights) has come up with an initiative POCSO E-box to keep children safe from any kind of abuse. This initiative facilitates for easy and direct reporting of sexual offences against children and by children themselves through the given link http://ncPCR.gov.in/user_complaints.php, so that action offenders can be taken under POCSO Act, 2012.

To make this endeavor a success, steps taken by the school are:-

1. Timely workshops on child abuse for the students
2. Interactive sessions with parents through PTM.
3. School counsellor facility available on every 3rd Thursday of the month.
4. Close monitoring on students activities.
5. Speech on moral values by Principal during assemblies.
6. An open and friendly environment makes our students to open up with ease and confidence in case of any trouble.
7. Screening of film '**Komal**' (Best educational film about inappropriate touch) on 09/08/2017 in the school. Kindly ensure your ward's presence on this day.

Looking forward for your valuable support & cooperation in certain ways:

1. Make your child aware about POCSO E-BOX & child helpline no. 1098
2. Be friendly and open with your child.
3. Make your child aware of good and bad touch.
4. Listen quietly. Children have a hard time telling parents about troubling events
5. Always look for group situations to involve your child in rather than placing your child alone with one adult.
6. Drop in unexpectedly when your child is alone with any adult.
7. Monitor your child's internet use. The internet has become a favorite means for pedophiles to interact privately with children. Their goal is to lure them into physical contact after gaining their trust.

Regards,
Principal
